

APart MEQ5.2 EQUALIZER

APart

The MEQ5.2 is a professional 2 channel 2 x 5 band equalizer that can be used as a stand alone or modular EQ.

The MEQ5.2 is equipped with a volume control and an adjustable low-cut filter on each channel. The MEQ5.2 is by-passed in the off-mode. This equalizer allows you to create a perfect sound, no matter what acoustical environment you are in.

TECHNICAL SPECIFICATIONS

Input	RCA Cinch unbalanced, 500 mV, 10 kOhm XLR Balanced, 775 mV, 20 kOhm
Output	RCA Cinch unbalanced 500 mV XLR Balanced, 0 dB/100 Ohm
Frequency Response	20 Hz - 20 kHz
EQ Frequencies	80 - 250 - 1000 - 2500 - 10000 Hz
Low cut	12 dB / 20-500 Hz adjustable
Signal to Noise Ratio	>93 dB
Distortion	<0.01%
Power Supply	230V
Dimensions (H x W x D)	140 x 70 x 325 mm
Weight	1.8 Kg
